Dear Ms Derian,

I am writing to you as a member of the Swedish section of Amnesty International, group 213.

We are working for a prisoner, Rosendo Lopez, Argentina, an employee of "Subterraneos" workshop in Buenos Aires. He was arrested on July 7, 1975, in Buenos Aires, during a demonstration in front of "Union Tranviarios Automotor" protesting government economic policy. He is held in preventive detention, without charge or trial, in the Unidad Regional de Detencion de Resistencia, Provincia del Chaco.

We would be very grateful if you could help us to come in contact with his family or relatives. Actually, we know very little about him, and if his family could give us some information it would be of great value for our work.

Yours sincerely
